

## Course Information Sheet

### Clay Modelling Workshop

<b><i>Introduction</i></b>
Clay isn't just for making pots! On this course you can explore the possibilities of using this medium to create impressive 3dD sculptures.
<b><i>What are the course entry requirements?</i></b>
This would suit those who have no experience of sculpture as well as the more advanced learner.
<b><i>How long is the course?</i></b>
Please see current course brochure.
<b><i>What will the course involve?</i></b>
You will learn Health and Safety guidelines and how to make sculptures by hand using a variety of techniques.
<b><i>How will I be learning?</i></b>
By demonstration and individual instruction.
<b><i>What equipment will I need?</i></b>
Protective clothing.....old shirt or apron. Basic tools are provided, but learners may wish to purchase their own.
<b><i>How will I know if I am making progress?</i></b>
By successful completion of projects. The tutor keeps a record of your work and you will keep your own record to make comparisons with.
<b><i>What course work will I be expected to complete?</i></b>
Practical
<b><i>What can I expect to learn from this course?</i></b>
<ul style="list-style-type: none"> <li>• Use an armature [for large sculptures like portrait heads]</li> <li>• Application of clay</li> <li>• Joining clay using slip</li> <li>• Hollowing out a form prior to firing</li> <li>• Applying simple colours using oxides and stains</li> </ul>

***Will I need to cover anything in addition to the course fee?***

We have a charge for the amount of clay used [to cover cost of firing in the kiln]

***What other training programmes and progression opportunities are there?***

Any other Art based courses.

If you require in-depth advice on progression opportunities or guidance on career choices please contact our Information Advice and Guidance Officers on 0845 600 1331.
